Special Assistant to the President for
Science and Technology
The White House
Washington, D. C.

Dear Jim:

I am sending herewith a copy of a memorandum prepared in our Office of National Estimates which sets forth a plan for a new way of doing certain key estimates on Soviet military capabilities. I feel that this scheme has great merit, and I thought you would be interested in hearing of it.

My principal purpose in sending you the document is merely to keep you abreast of our thinking. However, if you do have any comments I would of course be delighted to receive them.

Sincerely,

SIGNED
